

Say Yes Cleveland *support services*

Say Yes Cleveland *scholarships*

Say Yes Cleveland provides scholarships covering the cost of college or postsecondary tuition, after federal and state grants, to every eligible CMSD (or partnering charter) high school graduate.

What's Covered?

Say Yes scholarships apply to tuition only. Students may be able to use institutional aid and other non-Say Yes scholarships for non-tuition expenses such as room, board, or books.

At Ohio Public Institutions

Eligible students can access any two-year, four-year, or Pell-eligible certificate program at any Ohio public college or university. The scholarship will address the gap between the total cost of tuition, minus federal and state grants.

- Students in families earning \$75,000 or less per year, will have the full tuition difference paid for up to eight semesters.
- Students in families earning over \$75,000 a year will receive up to \$5,000 annually, covering up to eight semesters.

At Private Schools Nationwide

Eligible students can access the network of nearly 100 private colleges in the Say Yes National Higher Education Compact.

- For students in families earning \$75,000 or less per year, these colleges provide tuition scholarships to address the difference between the total cost of tuition, minus any federal and state grants a student receives.
- Students in families earning over \$75,000 per year would receive a scholarship from the Say Yes Cleveland Scholarship Fund of up to \$5,000 annually toward the cost of tuition.

Say Yes Cleveland Scholarships are made possible through the generosity of individuals, businesses, foundations, higher education partners, and others in the community.
